***FIT***

# GREAT FLEXIBILITY

Small in size and big in attitude, the redesigned Fit is the right mix of modern sport styling and aerodynamic efficiency.

Fit Sport shown in Helios Yellow Pearl

Fit Sport shown in Helios Yellow Pearl

## LOADED WITH LUXURIES

Clever interior design, modern technology, and excellent visibility come together for an enjoyable ride.

Fit Sport shown in Black Interior

### AUDIO SYSTEM

The Fit audio features a 160-watt AM/FM/CD audio system with a 5-inch color LCD screen.

### PUSH START BUTTON

Start your engine without taking your key out of your pocket (Fit Sport model).

### USB AUDIO INTERFACE<sup>1,2</sup>

Load your music onto a flash drive or a smartphone and rock out. The USB port will keep your smartphone charged up, and you can access your tunes through the audio system.

## LOOKS LIKE FUN

Ready for action, the Fit looks tougher than ever before. The fun design and the high endurance drive will make you enjoy the ride wherever you take it.

Fit Sport shown in Crystal Black Pearl

### LED HEADLIGHTS

LED Headlights w/Auto On-Off help you see more while using less energy (Fit Sport model).

### POWER FOLDING SIDE MIRRORS WITH INTEGRATED TURN SIGNALS

The side mirrors with integrated turn signals conveniently fold inward, giving you a few extra centimeters (Fit Sport model).

### 16-INCH ALLOY WHEELS

Details matter. The Fit displays boldly designed wheels to complement athletic body lines (Fit Sport model).

# EQUIPPED WITH CONFIDENCE

Fit Sport shown in Lunar Silver Metallic

### MULTI-ANGLE REARVIEW CAMERA<sup>3</sup>

Get a better look at what's behind you with a Multi-Angle Rearview Camera that offers three different views: normal, top-down and wide.

### DAYTIME RUNNING LIGHTS (DRL)

Daytime Running Lights help make your Fit more visible to other drivers on the road, so it's easier for them to see you coming.

### ADVANCED COMPATIBILITY ENGINEERING (ACE)

The Advanced Compatibility Engineering (ACE) body structure is a Honda-exclusive body design that utilizes a network of connected structural elements to help distribute frontal crash energy more evenly throughout the front of the vehicle.

## READY WHEREVER YOU GO

The Fit offers comfort and convenience at your reach like never before, its durability allows you to go further between fill-ups.\*

Long Mode

Utility Mode

# ULTRA VERSATILE

The Fit can accommodate everyone and all kinds of cargo, thanks to its brilliant engineering and a little magic. The spacious interior has room for five, and the 2nd-row Magic Seat helps you configure your Fit in four different ways.

Fit Sport shown in Aegean Blue Metallic

### LONG MODE<sup>5</sup>

If you fold down the right side of the rear seat and fold back the front passenger seat, you can haul gear up to 2.3 meters in length.

### UTILITY MODE<sup>5</sup>

Fold the Magic Seat down and you've got a class-leading 1.5 m<sup>3</sup> of cargo space. It's amazing what fits in there.

### REFRESH MODE<sup>5</sup>

Turn your Fit into a mobile relaxation space. Take off the front head restraints, fold back the front seats and let the chill time begin.

### TALL MODE<sup>5</sup>

Sometimes you need a little extra cargo height. Folding up the Magic Seat gives you nearly 1.2 meters of room, top to bottom.

Refresh Mode

\* Only use Refresh mode when the vehicle is safely parked. Return the seat and head restraint to their original position before driving. Honda reminds you to properly secure items stored in the cargo area.

Tall Mode

## COLORS

<sup>1</sup>The USB audio interface is used to connect directly to and control today's digital audio players and other USB devices that store music files in MP3, WMA or AAC formats. Some USB devices with security software and rights-protected digital files may not work. <sup>2</sup>Drive responsibly. Some laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked. <sup>3</sup>Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. <sup>4</sup>Your fuel consumption will vary depending on how you drive and maintain your vehicle. <sup>5</sup>Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat. Always use seat belts and appropriate child seats. Specifications, features, illustrations and equipment shown are based upon the latest available information at the time of printing.
